

CHANG JIANG PRINTING MEDIA CO., LTD.

- Chang Jiang Printing Media Co., Ltd. was established in 2013 by Mr. Samuel Chung and has grown into one of the leading printing companies in China. With our diverse machinery and capabilities, Chang Jiang specializes in producing a wide range of high quality books, including children's books, board books, casebound and paperback books; ancillary products, including greeting cards, calendars, stationary items, paper boxes, complex pop-up books; and other paper products in a variety of formats.

- Chang Jiang now has two manufacturing facilities, one in Shanghai and one in Sichuan province, and is taking advantage of the larger labor pool and lower manufacturing costs available in these areas.

- Chang Jiang currently has more than 200 workers in our Shanghai plant and more than 300 workers in Sichuan, with advanced equipment, sophisticated technology and a scientific management system. Our machines includes Heidelberg and Komori printing machines, varnishing/lamination/foil stamping/silkscreen/debossing & embossing/diecutting machines; casebound/limpbound/saddle stitching book binding lines, and wire-O/spiral machines, etc.

- At our Sichuan plant, we specialize in hand assembly work and are very experienced in complex book assembly. We are considered one of the best pop-up manufacturing companies and have produced hundreds of thousands of pop-up books for noted authors Robert Sabuda and Matthew Reinhardt. Simon & Schuster and Scholastic are two of our more prolific clients in New York.

- We work with many leading publishers, including Simon & Schuster US and UK, Scholastic, Publications International, Insight Editions, Alligator, Hinkler, Flametree, Little Tiger Press, Smartink Books, BookWorks, Lake Press, Tango Books and others.

- Our children's books go through strict testing and are produced according to the major toy safety standards such as CPSIA, ASTM, EN71. Our plant has been certified by ISO-9001, BSCI, ICTI, Disney, and FSC. Quality printing is our top priority.

- Samuel Chung, who is responsible for the overall management of the company, has over 40 years' experience in the printing industry. He set up his first printing company in the 1990's in Southern China, producing a wide range of paper products for publishers worldwide. Over the past decades, he has expanded his organization and transformed the company.

(1) Pre-press machines				
Item	Size	Type	Brand	Quantity
Drum Scanner		S-3900	Heidelberg	2
